THE MYSTERY OF A HUMAN HEAD

A Beautiful Young Woman Who Appealed in Vain for Aid.

FROM MAN IN A BUGGY

The Teeth in the Skull Denote a Young and Pretty Female.

(Special to The Times-Dispatch.)
MONTVALE, BEDFORD CO., VA., March 18.—The excitement and mystery of the gruesome find of a human head, near Ironville, the next station west, has not abated any. It seems that a dog belonging to a Mr. McDonald was seen chewing on something which on investigation, proved to be the head of a white person. The head was badly decomposed, and there was an ugly fracture behind the left ear. The lower jaw was gone, but the teeth in the upper jaw showed that it belonged to a young person, as they were sound, and not worn, as in older persons. The theory that it was probably the head of the young man who left his grip with the operator at Ironville, and on investigation of the grip, its containing clothes of a fine quality, has exploded, as the operator informed me, that the grip was left with him and had never been called for, but on examination, it contained overalls of a workman. Now, the case has been opened again, from in-

formation gleaned from a physician who examined the head and remains of it, and says the teeth were beautiful and well preserved, and the head was undoubtedly the head of a young woman about twenty years.

APPEAL FOR PROTECTION.

A reliable colored man, Taylor Curtis, informed me that the latter part of January he, with a friend, was passing near Ironville, and heard a woman scream; on looking for her, they saw a handsome woman nicely dressed standing near a blonde man of about thirty or forty years, and a little boy of five or six years, all of whom had alighted from a two-horse team buggy. The woman appeared to be a colored man to protect her, as the man would kill her, at the same time asked them what was the name of the place, as she was a stranger and did not know where she was; also told them that if they went down the road ahead, and designated the exact spot, they would find a gold watch, which they did find with the crystal broken, and which the man afterward took from them.

MAN WOULD KILL HER.

The woman said the man had beaten and tried to kill her at that spot, and in the scuffle she had lost the watch. They say that the three were well dressed and as there was snow on the ground, were well protected with fine wraps. There evidently has been a dastardly and villainous murder committed and the authorities are excited up to such a pitch as to have a further investigation. The colored man would have listened to the woman's appeal for protection, but were afraid of the man, and the child was in an agony of fright.

Now, the question is, who were they? What did they come from? Whose vehicle and horse had they appropriated? A number of cars, and killing two colored men stealing rides. One was from Petersburg and the other from Farmville, presumably men returning from the mines, as they had money and gold watches in their pockets.

Several bears have been seen between this place and Blue Ridge Springs in the last week.

WARRENTON, VA.

(Special to The Times-Dispatch.)
WARRENTON, VA., March 18.—MA Hugh Hamilton has appointed Mr. Fred Dunn deputy treasurer in Scott District, and Mr. James Patten to the same position in Cedar Run District.
Messrs. Leo and Percy Evans have purchased ninety acres of ground beyond the Gaines' place and expect to build a residence immediately.
Three white women, presumably Russian

Jezevess, are in jail here, charged with robbery. They are very reluctant to give any information concerning themselves. Later developments go to show that they have been preserved every jail in the county, and the States adjoining.

The Dicks property in this county, known as the "Leland," had been purchased by Messrs. H. B. Burks and J. R. Kern.

Interest grows apace in the point-to-point races of the Warrenton Hunt Club, to be held in April. Many strangers are already drifting in, and the affair promises to be one of the most successful.

Warrenton will hold its horse show this year, August 29th and 31st.

Among the recent arrivals at the Warrenton Green are Mrs. Frederick A. Saville and Miss Saville, of New Orleans; Mr. Harry Rose Shelby and Miss Shelby, of Brooklyn; Miss Annie M. Archibald and maid, of New York; Mrs. Frederick Darlington and the Misses Darlington, of Massachusetts.

Temperance Lecture That Tells.

The man who drinks cannot hold an appointive office under Governor Hanly, of Indiana. He declares that large corporations ruin against men who have formed the liquor habit, and that this policy will be adopted in respect to positions within the gift of the executive.

Cured of Piles.

After Suffering More Than Twenty-Five Years.

TRIAL PACKAGE MAILED FREE.
"Until about two years ago I had had piles for about thirty years, at times bleeding and very painful. I got a fifty cent box of Pyramid Pile Cure at the drug store, and used it and was entirely cured; got another box in case I needed it, and as the piles did not return in six months I gave the remedy to a friend of mine who wanted the doctor to operate to cure him. My friend said he would use the 'pyramids,' but he knew they would do him no good, but they cured him of piles."

"I am twenty-five years' standing. I am free from piles to-day and have been since using Pyramid Pile Cure. I was captain in the Civil War." James Adams, Soldiers' Home, Cal.

The majority of people labor under the impression that an operation is necessary in severe cases of piles, or hemorrhoids, and are very skeptical regarding the remedial virtues of any medicinal compound. Testimony like the above should certainly have a tendency to dispel this impression, although it is odd that such testimony should prevail, and still more odd that so many people should think an operation effects a permanent cure, whereas the contrary is more often the case.

Just send your name and address to Pyramid Drug Co., 1835 Main Street, Marshall, Mich., and receive free by return mail the trial package in a plain wrapper. Thousands have been cured in this easy, painless and inexpensive way, in the privacy of the home. No knife and its torture. No doctor and his bills.

All druggists, 5c. cents. Write to-day for a free package.

THREE ROUGH RIDERS GUILTY

Each Was Sentenced to a Term of Three Years in the Penitentiary.

THEY BELONGED TO A CLUB

Met by Agreement When the Homerville Depot Was Burned.

(Special to The Times-Dispatch.)

WAVERLY, VA., March 18.—Sussex Circuit Court, Judge West presiding, which convened on March 7th, adjourned late yesterday afternoon. Several days were consumed in the trial of the so-called "Rough Riders."

Twelve colored men were indicted last fall for burning the Southern Railway depot at Homerville, Va. Charles Smith confessed his guilt, and implicated twelve others, one of whom was never apprehended. The Commonwealth had to rely almost exclusively on the testimony of Smith, in order to convict the other eleven.

The parties were indicted and tried separately. The first four cases were heard by four juries from Sussex county, and resulted in a conviction in three cases and a hung jury in the other. The next three cases were heard by three juries from the city of Petersburg, and resulted in two acquittals and one conviction. It is a remarkable fact that the prisoner who was convicted by the Petersburg jury was the same man who was tried by a Sussex jury and the jury was unable to agree.

Those convicted, each of whom got a verdict of three years in the penitentiary, were Tally Brown, Charles Wrenn, Frank Budget and James Moyer. Those acquitted were William Tucker and Fitz Hickey. Smith's testimony was practically the same against Tucker and Hicks as against those who were convicted, and it was very hard to ascertain the truth in the case and for the further reason that the remaining five could bring white witnesses to testify to their good character, the court permitted the Commonwealth's attorney to enter a nol pro in the cases against Tucker, Dorsey Chambliss, Sonny Chambliss, James Clements and Oshy Taylor.

Smith was then arraigned, plead guilty and his punishment was fixed by the court at three years in the penitentiary.

Smith claimed that he and the twelve other negroes belonged to a club called "The Rough Riders," and that they met by agreement, at the Homerville depot and robbed it and then burned it, to cover up their tracks.

The prisoners were ably defended by W. S. Holloman of Isle of Wight, and ex-Judge Arnold, of Waverly, while Commonwealth's Attorney Cooke guarded well the interest of the Commonwealth.

Mr. R. W. Arnold is visiting in Norfolk. Mr. W. H. Calhoun, of Christiansburg, Va., is visiting at Sussex. His father, Judge Arnold, on Main Street.

MILLER SCHOOL.

(Special to The Times-Dispatch.)
MILLER SCHOOL, VA., March 18.—Miss Leona Vawter has returned home after a long visit to friends in Maryland.

Mrs. J. R. Johnson, of Christiansburg, Va., is a guest of Professor Robert C. Price.

Rev. J. B. Painter and wife spent the 14th with Mrs. L. G. Taylor.

Mr. P. A. Brown, State Y. M. C. A. secretary, conducted a series of services here last week, closing on Sunday. His effort met with some success.

Mr. P. A. Brown talked to the Y. M. C. A. on 7 P. M. Sunday on a timely topic for young men.

On March 11th the Longley Literary Society met in their beautiful hall.

The following Conference Committee was appointed by the chairman: Misses Hodges, Lewis and Broderick.

Misses Chowning and Money became active members of the Longley Literary Society. The program was well rendered as follows: Sketch of Burns' "Life and Works," by Miss Estelle Dawson; Diet, Anello Laurus, by Misses Sutherland and Hawkins; Recitation, "Cotters Saturday Night," by Miss Helen Pollard; Solo, "Coming Through the Rye," by Misses Sutherland and Hawkins; "Flow Gently, Sweet Afton," by Society; Recitation, "Maudlin Day," by Miss P. A. Sutherland; Song, "Auld Lang Syne," by Society.

On March 11th, the Vawter Literary Society met in their beautiful hall.

On March 14th, the superintendent gave a holiday in honor of Washington's birthday, this being the first rainy, bright and beautiful weather since the notable event (better late than never). Everybody seemed to enjoy themselves. Some went home and some "went fishing."

LETTER TO FRITZ SITTERING, Richmond, Va.
Dear Sir: Let's have a little private talk by ourselves on business; nobody else, please, read.

You want to know how to do a cheap job of painting, and have it look good. Here it is: The cheapest thing there is in the way of a good-looking job—nothing about it being good—Laid in Devotee, the regular thing in Devotee.

The reason is: Devotee goes further than anything else. Lead-and-oid is good-looking; don't go so far and costs more. The other paints are more or less short in one way or another; don't go so far and costs more than Devotee.

Devotee costs least of all; you can't mind it lasting longer, do you? You don't help it; a paint that goes further lasts longer; we can't help it.

Yours truly,
F. W. DEVOTE & CO.

RAZOR STOPS A WEDDING

Benjamin Wilson Discharged From Jail in Order to Get Married.

(Special to The Times-Dispatch.)

NORFOLK, VA., March 18.—Benjamin Wilson, of Baltimore, came here to-day to release his friend, George Gibson, from jail. Gibson arrived here last week to get married. The young woman was not ready, and Gibson went on a spree for solace, and fell into the hands of the police. When searched he had a razor, which added a coped weapon charge to his case, and sent him to jail on a \$25 fine. When the hardship of the case was reported to-day, Judge A. H. Linckel ordered his release for a new effort to marry.

TUG AND TOW STUCK.

It is reported that the tug Eskridge is stuck in Cranston Sound, N. C., with her tow of five barges. They have had low tides in the sound because of northwest winds, and, therefore, the trouble of tug and tow. She is expected to proceed when the wind changes and drives the water shoreward.

The board of governors of the Jamestown Exposition Company met this afternoon and decided to make the site ready for the exposition buildings. They will spend \$100,000 on the grounds this year in making avenues, digging trenches for the underground utilities and planting trees and shrubbery.

RETRIBUTION ON RUSSIA.
Rabbi S. B. Cohen, speaking at the Chof Shalom Temple, declared that the disasters following the Russian armies are expressions of the displeasure of God for the participation in the massacre of the Jews at Kishineff two years ago. In evidence of this, he said that following quick upon the announcement of the result of the proxy to a trial in the case of the Kishineff murderers came the declaration of war by Japan. The Japanese are instruments in the hands of God in punishing the Russians for their dreadful crime against the helpless Jews.
